

# VOLUNTEER FOR HABITAT FOR HUMANITY'S SOUTH ASIA "BIG BUILDS" AND TRANSFORM LIVES.

**V**olunteers are needed to transform lives. Habitat for Humanity is offering the opportunity to become a volunteer builder on one—or more—of its 2012 "Big Builds" in South Asia. Help create new lives and dignity through building new safe, adequate, affordable homes. Work alongside families who are determined to break out of poverty and build a better future for themselves, their children and their communities. Volunteer to experience these transformations in one of three very special communities, one each in Sri Lanka, in Nepal and in Bangladesh, selected to showcase what is possible.
